# Web Developer

As a CSE undergrad, I'm hooked on web development! My goal is to channel my know-how into thrilling projects, connect with diverse minds, unlock new doors and keep leveling up my skills. With a hunger for knowledge, I'm keen to soak up new learnings and make a tangible impact in the world of development.

## Projects

### ○ Amazon Website Clone

- Created an E-commerce website clone.
- **Skills:** HTML , Cascading Style Sheets (CSS)

### ○ Weather App

- Deployed an API in a custom Weather Web App.
